Sir:

This is a Supplement to Applicant's Response to the first, non-final Office Action dated Feb. 10, 2006. Applicant timely filed an initial full Response on July 10, 2006.

Applicant makes further amendments to Claims 1, 2, 11 and 12 in this Supplement. No fee is due. However, in the event this is in error, please charge any additional fee due to Deposit Account 04-1699, and reference Docket # 7118-001US to assist counsel in tracking fee charges. There are still only 20 claims in the case, of which 2 are independent and 18 dependent.

Applicant has requested a telephone interview, and the Examiner and undersigned counsel are in communication regarding a demonstration. Applicant, being on the West Coast, had hoped to arrange a video conference through the Sunnyvale CA facility affiliated with the PTO, but that is now closed. Applicant makes of record the short QuickTime demo movie relating to the sticky path functionality that was sent by e-mail to Examiner Myint on Aug. 21. Applicant trusts that such a demo movie will assist in the Interview.
